

The U.S.-India Energy Partnership in 20 Years

June 5, 2018

Lauren Diekman
Head of Energy and Environment, USIBC

ABOUT THE U.S.-INDIA BUSINESS COUNCIL

Formed in 1975, at the request of the governments of the United States and India, the U.S. Chamber of Commerce's U.S.-India Business Council is the premier business advocacy organization, comprising top tier United States and Indian companies to advance U.S.–India commercial ties.

MISSION

- To promote bilateral commercial relations between India and the United States through pro-growth policies that will increase trade from \$100 billion to \$500 billion, stimulate investment, and create jobs, and socioeconomic well-being for people in both nations and beyond.

VISION

- To create an inclusive bilateral trade environment between India and the United States by serving as the voice of industry, linking governments to businesses, and supporting long-term commercial partnerships that will nurture the spirit of entrepreneurship, create jobs, and successfully contribute to the global economy.
